G22-2024 - Feature #1281

Feature # 1279 (Resolved): Wiki - Week12 - Main page

Wiki - Week12 - Graphical information creation

12/12/2024 11:33 PM - Toma IKUTA

Status:	Resolved	**Start date:**	12/12/2024
Priority:	Normal	**Due date:**	12/19/2024
Assignee:	John Aldrin Alcano MINOSA	**% Done:**	100%
Category:		**Estimated time:**	3.00 hours
Target version:		**Spent time:**	3.00 hours

Description

make original images that can support wiki.

We need a single image about the whole environment of this projects (projectors, screens, how the images are overlapped)

We need some images to tell about the problem of original overlapped images and how we can resolve it.

History

#1 - 12/12/2024 11:45 PM - Toma IKUTA

- Subject changed from Graphical information creation to Wiki - Week12 - Graphical information creation

#2 - 12/13/2024 12:00 AM - Toma IKUTA

- Status changed from New to In Progress
