Feature # 1318 (Resolved): UML

Class Diagram Update: Addition of Gamma Function

01/09/2025 01:44 PM - Htar Aung THET

Status:	Resolved	Start date:	01/09/2025
Priority:	Normal	Due date:	01/09/2025
Assignee:	Satvik Reddy KONDA	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Update the project's class diagram to incorporate the addition of the gamma function, including:			
A new class or component representing the gamma function.			
Changes to existing class relationships, attributes, or methods to integrate the gamma function.			
Adjustments to the diagram based on recent feedback or developments, ensuring proper interaction between the new functionality and existing components.
