Description			
Tasks:			
<ul style="list-style-type: none">• Think about and create the main page for the Wiki ~ title, sections (with section links), anything you need.• Add a brief introduction, members and roles (with pictures if possible).• Possibly a section containing the team's working style/structure (e.g. using a Discord server for team communication, using "blablabla" as a coding environment for the programmers, etc.). Although this feature is not urgent as there are still several aspects to decide, try editing it from time to time.			
For supervisor: Keep the PM on track of the progress. When finished, explain him the results in detail.
