

G22-2023 - Feature #904

Feature # 900 (New): Programmer

Upload the initial code here

12/21/2023 01:18 PM - Qian ZHANG

| | | | |
|---|-----------|-----------------|------------|
| Status: | Resolved | Start date: | 12/14/2023 |
| Priority: | Normal | Due date: | 12/21/2023 |
| Assignee: | Muting LI | % Done: | 100% |
| Category: | | Estimated time: | 5.00 hours |
| Target version: | | Spent time: | 0.00 hour |
| Description | | | |
| Up load your code and give a brief introduction | | | |

History

#1 - 12/21/2023 01:26 PM - Muting LI

- File config.py added
- File gamma_correction.py added
- File image_processing.py added
- File main.py added

finding the common part in image_processing.py, adjusting the brightness in gamma_correction.py, and combining these two functions and outputting the image in main.py.

#2 - 01/11/2024 03:29 PM - Muting LI

- Subject changed from UP load your code here to UP load the initial code here
- % Done changed from 10 to 100

Initial version code (to be updated)

#3 - 01/11/2024 03:30 PM - Muting LI

- Subject changed from UP load the initial code here to Upload the initial code here

#4 - 01/11/2024 03:49 PM - Qian ZHANG

- Status changed from New to Resolved
