Description

Update the page with the following features:

- Add members in the roles table.
- Add pictures and names of members in order according to role hierarchy: PM - PL - Supervisors - Rest as you like
- Add a sort of "Team Organization" page briefly explaining how the team is working together in the project. Include the guidelines for coding, UML, and commenting that uploaded in their perspective issues.
- Try to update the project site. You can use previous year projects as reference. Explain me anything you want to add.

When finished, remember to update the issue status and notify the PM
